

## How will you transform your home?

Astute homeowners enhancing their home's character, and builders who value quality as well as their bottom line, are turning to an updated version of a timeless classic: brick.

Satisfy your designer instincts with Old Brick Originals™ Thinbrick™, the easy-to-apply brick veneer that installs anywhere. Transform any room into a modern, exposed-brick loft, or satisfy your taste for elegance and tradition with brick accents, reminiscent of an earlier time.

With Old Brick Originals, you can change the mood in any room. Add prominence with a brick archway or cobblestone floor. Leave a wash of mortar on your Thinbrick wall for a more distressed look. Outdoor kitchens and fireplaces are perfect for Old Brick Originals. The ideas are endless.

Professionals choose Old Brick Originals when quality and style are their top priorities. With a dozen unique colors to choose from, it's time to say goodbye to the plain, white wall, and transform your home.

Installs anywhere, changes everything.

### Easy installation

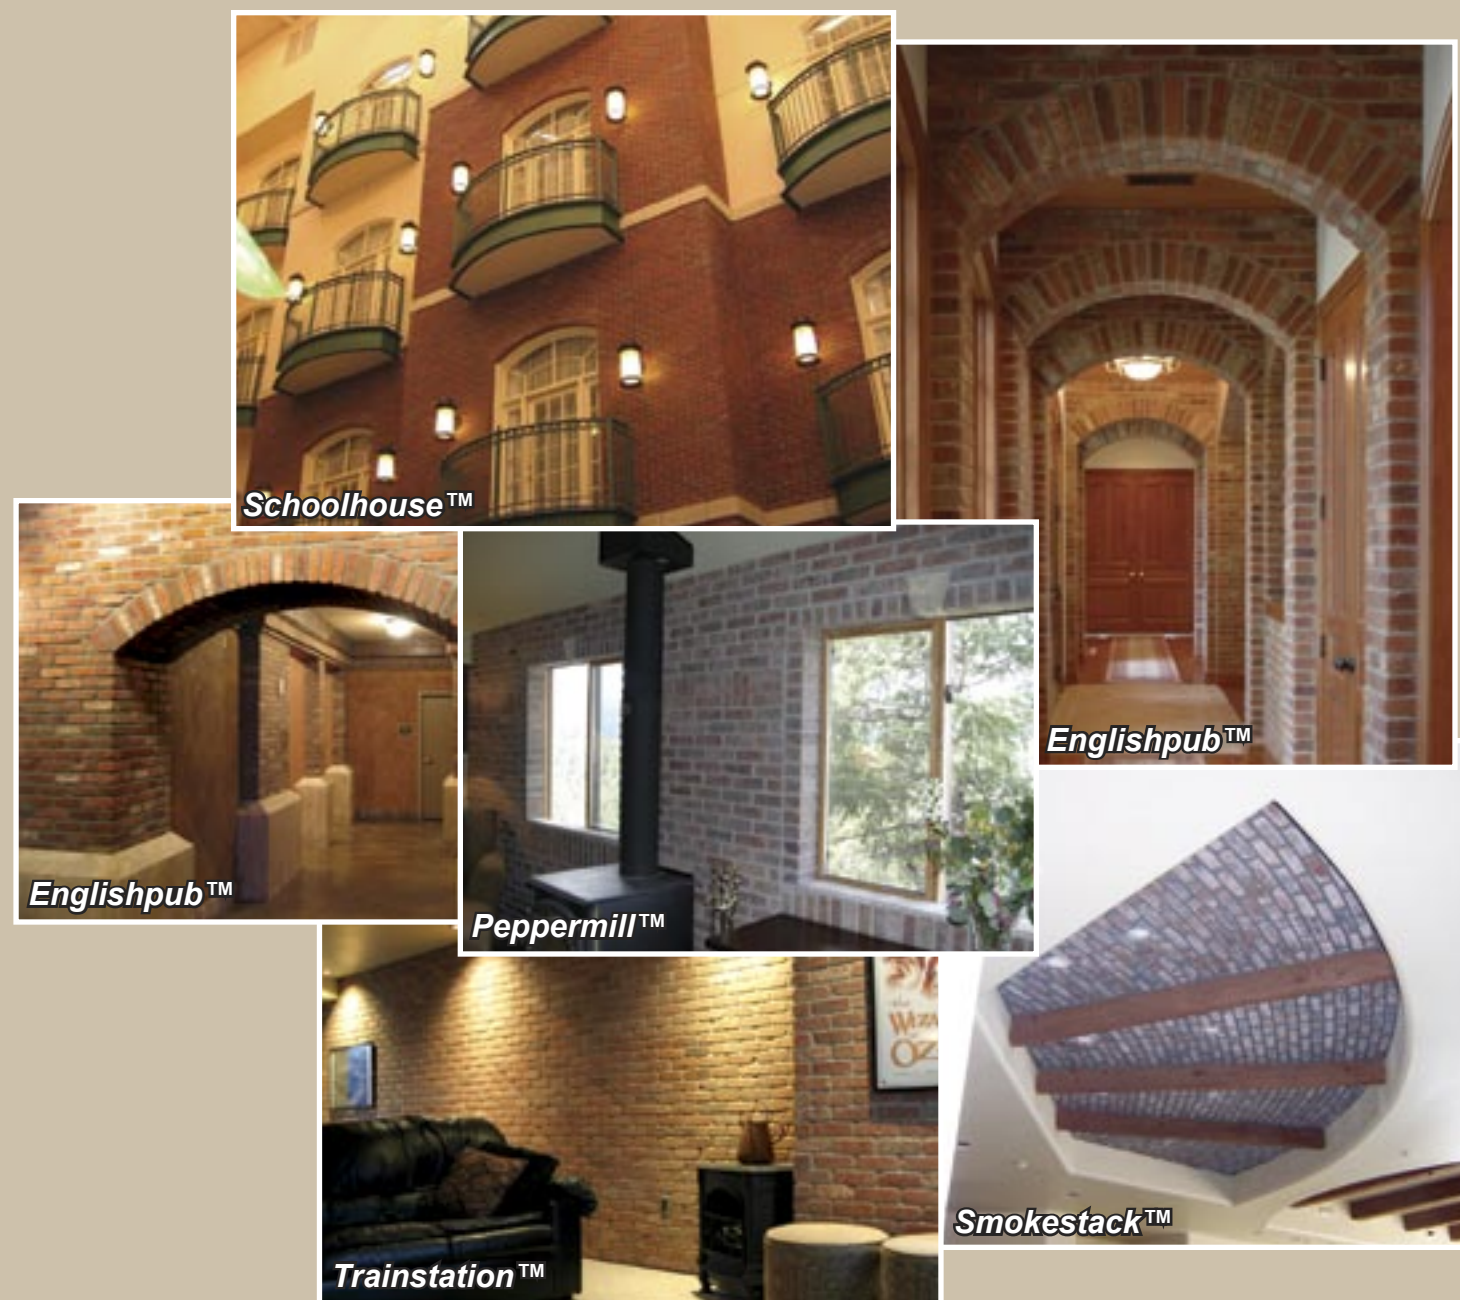

#### Interior

- ① Drywall / cement board
- ② Non-sagging adhesive or thinset mortar
- ③ Thinbrick and grout

#### Exterior

- ① Rigid substrate
- ② Weather barrier
- ③ Metal lath and mortar
- ④ Thinbrick and grout

Suggested methods, always check with local building codes for proper installation guidelines.
