STONE SPLITTER STS-EASY

The new block cutters STS-EASY from Probst. More splitting force with reduced effort – with only one crank handle.

The required height of the stones can be set easily and quickly using a smoothly-operating handle. Snap blocks without great force: easy! With the perfect combination of lever and eccentric transmission and a triangular knife, huge splitting force with minimal operating force is generated with all mechanical block splitters. Blocks can therefore be cut cleanly without dust, noise or wastewater. No particulate emissions occur, which are harmful to health.

STS-33-EASY / STS-43-EASY: Spring-mounted supporting table (both halves of the table tiltable) allows clean undercut for precise laying without uneven large gaps.

STS-33-F-EASY: With tilted, rigid supporting table, so that the block is cut at a constant angle.

STS-43-H-EASY: Designs also suitable for concrete kerbstones or limestones up to height 300 mm (11.81 inch). Spring-mounted supporting table (one half of the table tiltable, one half rigid) allows clean undercut for precise laying without uneven large gaps.

STS-65-EASY: Spring-mounted supporting table (one half of the table tiltable, one half rigid) allows clean undercut for precise laying without uneven large gaps.

- High rationalisation effect, as clean snapping of the blocks can often replace time-consuming and expensive cutting with masonry saws.
- Clean cuts with precisely guided, triangular, reversible blade.
- Better view of the cutting line.
- Crank on top, connected to spindle via chain and gear drive.
- More splitting force with reduced effort.
- Size indicator in centimetre and inches as well as 45-degree angle on both support plates speed up the work enormously.
- Durable surface protection by galvanizing.

Type	Width Cutting Width mm (in)	Dead Weight kg (lbs)	Height Stone/Element mm (in)	Order-Number
STS-33-EASY	330 (12.99)	48 (106)	10 – 120 (0.39 – 4.72)	51200082
STS-33-F-EASY	330 (12.99)	48 (106)	10 – 120 (0.39 – 4.72)	51200086
STS-43-EASY	430 (16.93)	61 (134)	10 – 120 (0.39 – 4.72)	51200083
STS-43-H-EASY	430 (16.93)	73 (161)	10 – 300 (0.39 – 11.81)	51200085
STS-65-EASY	650 (25.59)	98 (216)	10 – 120 (0.39 – 4.72)	51200084
